

Quick Reference Tip Sheet

LAST REVISED DATE: 10/02/18

General Information

Task	Process Information
Using the Procurement Activity Inquiry page	The Procurement Activity Inquiry page was designed to give users an efficient tool to view documents within the Procurement lifecycle, i.e. Requisitions, PO's, Contracts, Receipts and Vouchers. The inquiry will return information about the document(s) searched for and all the associated documents. For example, a search for a PO will return any Req., Contract, Receipt and Voucher information associated with that PO.
